

**THE SAFEST MOST EFFICIENT METHOD TO  
CONNECT A 3 POINT LINKAGE**

**Manufactured and Assembled in Ireland**

**Patent Pending**

# Farm Hitch

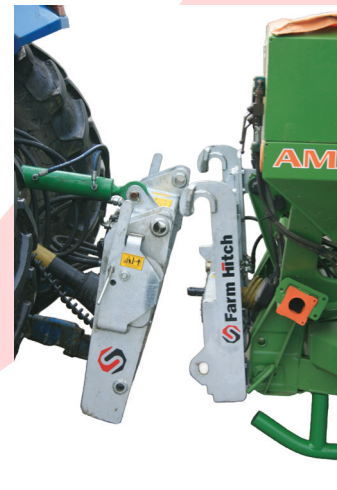

## Features and Benefits:

- Safety** – No risk of incident which arises from being positioned between the tractor & implement during connecting. PTO guard is always in position. Hydraulic check valve on top link.
- Comfort** – Do not leave your seat while you connect, rain is not an issue.
- Less stress** – Relax knowing swapping implements is no longer a chore.
- Increased efficiency** – Minimum time lost drive away in less than 30 seconds.
- Cost saving** – One tractor now can complete multiple tasks with minimum fuss.
- Fuel saving** – No more fuel wasted with tractor running while you spend time connecting.
- Reduced Maintenance** – Hydraulic hoses & cables connected permanently to IMA even when disconnected, no more contaminated hydraulic oil or damaged plug tops.
- Precision Engineering** – Perfect fit on all tractors with minimum installation time, implements perfectly centred with tractor.
- Adjustable** – 3 point connections adjust to ensure simple secure connection of various implements.
- Disconnect prevention** – Hydraulic locking pins controlled from tractor complete with warning buzzer & safety position limit switch.
- Interchangeable** – Certain items are interchangeable with JCB Teleporter.
- Reliable** – Connects first time every time, No messing with stabilising arms or PTO.

### Construction Specification

<b>Material</b>	Manufactured from laser cut mild steel
<b>Finish</b>	Hot Dipped Galvanised as standard. Paint finish upon request
<b>Weld Type</b>	MIG Welded construction
<b>TMA Dimensions</b>	W=1269mm x H=791mm x D=286mm (Main frame)
<b>IMA Dimensions</b>	W=1220mm x H=802mm x D=196mm (Main frame)
<b>PTO Shaft</b>	Adjustable heavy duty PTO
<b>PTO Coupler</b>	QCT - Quick Couple Technology - (Patent Pending)
<b>Top Link</b>	110mm OD complete with Check valve
<b>Load Tested</b>	3000kg
<b>Locking Pins</b>	30mm Mild steel hydraulically controlled
<b>Lights</b>	Pre wired contact terminals to plug / socket
<b>Hydraulics</b>	Available up to 3 pairs. Tested & Commissioned
